

Remarks and Arguments

Applicants claims have been amended to remove multiple dependencies. Accordingly, no new matter is involved.

In the previous office action the Examiner subjected Applicants claims to a restriction requirement. Applicants hereby elect to prosecute species B, figures 6 and 7. Claims 1-21 read on species B.

Applicants submit that all claims are fully allowable over the prior. Therefore, Applicants respectfully request that the Examiner examine and favorably consider Applicants' claims in the form of a Notice of Allowance.

Respectfully submitted,

By: /Dean L. Garner/
